PROXY STATEMENT

**ANNUAL MEETING OF MEMBERS
TO BE HELD ON MAY 31, 2022**

This Proxy Statement is furnished in connection with the solicitation of proxies by the board of directors (the “Board of Directors”) of Greenbacker Renewable Energy Company LLC, a Delaware limited liability company (the “Company”), for use at the 2022 Annual Meeting of Members of the Company (the “Annual Meeting”) to be held virtually at 9:00 A.M., Eastern Time, on Tuesday, May 31, 2022. The meeting can be accessed by visiting proxypush.com/greenbacker where you will be able to listen to the meeting live and vote online.

This Proxy Statement and the accompanying materials are being mailed to members as of the Record Date and are available at www.greenbackercapital.com/greenbacker-renewable-energy-company.

The Company’s Board of Directors encourages you to read this document thoroughly and take this opportunity to vote, via proxy, on the matters to be decided at the Annual Meeting. As discussed below, you may revoke your proxy at any time before your shares are voted at the Annual Meeting.

INFORMATION ABOUT VOTING

Who is entitled to vote at the Annual Meeting?

Only members of record as of the Record Date are entitled to receive notice of the Annual Meeting and to vote the shares of the Company’s limited liability company interests (the “Shares”) that they held on that date at the Annual Meeting, or any adjournment or postponement thereof. As of the close of business on the Record Date, we had 177,189,490 Shares outstanding. Each Share entitles its holder to one vote at the Annual Meeting.

What is the quorum requirement?

A quorum of members is necessary to hold a valid meeting. Pursuant to the Company’s operating agreement, a quorum will be present if at least a majority of the outstanding Shares entitled to vote are represented by members present at the Annual Meeting or by proxy. On the Record Date, there were 177,189,490 Shares outstanding and entitled to vote. Thus, 88,594,746 Shares must be represented by members present at the Annual Meeting or by proxy to have a quorum.

Your Shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank, custodian or other nominee) or if you vote in person at the Annual Meeting. Votes withheld from nominees for directors, abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present in person or represented by proxy at the Annual Meeting may adjourn the Annual Meeting to another date.

What is a proxy?

A proxy is a person you appoint to vote your Shares on your behalf. If you are unable to attend the Annual Meeting, our Board of Directors is seeking your appointment of a proxy so that your Shares may be voted. If you vote by proxy, you will be designating Richard C. Butt as your proxy. Mr. Butt may act on your behalf and have the authority to appoint a substitute to act as your proxy.

How do I vote?

Whether you hold Shares directly as the member of record or indirectly as the beneficial owner of Shares held for you by a broker or other nominee (i.e., in “street name”), you may direct your vote without attending the Annual Meeting. You may vote by granting a proxy or, for Shares you hold in street name, by submitting voting instructions to your broker or nominee. You can vote by mail or by Internet. You may authorize your proxy by signing your proxy card and mailing it in the enclosed, postage-prepaid and addressed envelope. For Shares you hold in street name, you may sign the voting instruction card included by your broker or nominee and mail it in the envelope provided. If you want to vote via the Internet, please go to the electronic voting site at www.proxypush.com/greenbacker and follow the on-line instructions. If you vote by the Internet, you do not need to return your proxy card.

How many votes do I have?

On each matter to be voted upon, you have one vote for each Share you own as of the Record Date.

Is my vote confidential?

Yes. All votes remain confidential, unless you provide otherwise.

Can I change my vote after I return my proxy card?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your Shares, you may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy bearing a later date;
- You may send a letter of revocation to the Company at 230 Park Avenue, Suite 1560, New York, NY 10169, Attention: Annual Meeting of Members’ Election Official; or
- You may virtually attend the Annual Meeting and notify the election official at the Annual Meeting that you wish to revoke your proxy and vote during the meeting. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your Shares are held by your broker, bank, custodian or other nominee, you should follow the instructions provided by such broker, bank, custodian or other nominee.

What if I sign and return my proxy but do not provide voting instructions?

Proxy cards or voting instruction cards that are signed, dated and returned but do not contain voting instructions will be voted:

- “FOR” the election of each of the seven nominees named herein to serve on the Board of Directors of the Company.

How many votes are needed to approve each proposal?

Proposal No. 1: For the election of directors, the seven nominees receiving the most “FOR” votes (among votes properly cast in person or by proxy) will be elected. Only votes “FOR” or votes withheld with respect to any or all of the nominees will affect the outcome. Dissenters’ rights are not applicable to the matters being voted upon.

How can I find out the results of the voting at the Annual Meeting?

The Company will announce preliminary voting results at the Annual Meeting. The Company will also disclose voting results on a Form 8-K filed with the U.S. Securities and Exchange Commission (the “SEC”), within four business days after the Annual Meeting.

Who is paying for this proxy solicitation?

The Company will pay the entire cost of preparing, assembling, printing, mailing, and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by the Company’s directors, officers and employees, who will not receive any additional compensation for such solicitation activities.

The Company’s Board of Directors held 20 meetings during the fiscal year ended December 31, 2021. Each director attended all of the board meetings during 2021 except for Robert Brennan and each director attended all of the meetings of the committee(s) of which he/she was a member, if any, during 2021. The Company does not have a written policy on board attendance at annual meetings of members.

Risk Oversight and Board Leadership Structure

Through its direct oversight role, and indirectly through its committees, the Board of Directors performs a risk oversight function for the Company consisting of, among other things, the following activities: (i) at regular and special board meetings, and on an ad hoc basis as needed, receiving and reviewing reports related to the performance and operations of the Company; (ii) reviewing and approving, as applicable, the compliance policies and procedures of the Company; (iii) meeting with the portfolio management team to review investment strategies, techniques and the processes used to manage related risks; and (iv) meeting with, or reviewing reports prepared by, the representatives of the Company’s key service providers, including its investment adviser, administrator, distributor and independent registered public accounting firm, to review and discuss the Company’s activities and to provide direction with respect thereto.

Charles Wheeler serves as the Company’s chief executive officer as well as chairman of the Company’s Board of Directors. The Board of Directors believes that Mr. Wheeler is the director with the most knowledge of the Company’s business strategy and is best situated to serve as chairman of the Company’s Board of Directors. While the Board of Directors does not currently have a lead independent director, the Board of Directors, after considering various factors, has concluded that its structure of seven directors, four of whom are independent, is appropriate at this time. As the Company’s assets increase, the Board of Directors will continue to monitor the Company’s structure and determine whether it remains appropriate based on the complexity of the Company’s operations.

Committees of the Board of Directors

The entire Board of Directors considers all major decisions concerning the Company’s business. However, the Company’s operating agreement provides that the Company’s Board of Directors may establish such committees as the Board of Directors believes appropriate. The Company’s Board of Directors will appoint the members of the committee in its discretion, provided a majority of the members of the audit committee of the Board of Directors (the “Audit Committee”) must be comprised of independent directors. In addition, the Board of Directors has established a Nominating/Corporate Governance Committee, as described below.

Audit Committee

The members of the Audit Committee are Kathleen Cuocolo, Robert Herriott, David M. Kastin, and Cynthia Curtis, all of whom are independent directors. The Company's independent directors are "independent" as such term is defined in NASDAQ Listing Rule 5605(a)(2). The Audit Committee assists the Company's Board of Directors in overseeing:

- the integrity of the Company's financial statements;
- the Company's compliance with legal and regulatory requirements;
- the qualifications and independence of the Company's independent auditors; and
- the performance of the Company's independent auditors and its internal audit function.

Kathleen Cuocolo chairs the Company's Audit Committee and serves as the "audit committee financial expert," as that term is defined under Item 407 of Regulation S-K of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Audit Committee operates pursuant to a written charter and meets periodically, as necessary. A copy of the Audit Committee's charter is available on the Company's website: www.greenbackercapital.com/greenbacker-renewable-energy-company. The Audit Committee met four times during the fiscal year ended December 31, 2021. Each of the then-members of the Audit Committee attended all such meetings.

Nominating/Corporate Governance Committee

The members of the Company's standing Nominating/Corporate Governance Committee are Charles Wheeler, David Sher, Robert Herriott, Cynthia Curtis, and Robert Brennan. Robert Herriott and Cynthia Curtis are the independent directors on the committee. The Nominating/Corporate Governance Committee operates pursuant to a charter approved by the Company's Board of Directors and meets periodically, as necessary. The charter sets forth the responsibilities of the Nominating/Corporate Governance Committee, including (i) assisting the Board of Directors in the oversight of corporate governance principles, policies and procedures; (ii) identifying qualified candidates for Board of Directors and committee membership and recommending to the Board of Directors nominees to be voted on at the annual meeting of members; and (iii) developing and recommending to the Board of Directors, and assisting the Board of Directors in implementing, a set of corporate governance principles applicable to the Company. A copy of the Nominating/Corporate Governance Committee's charter is available on the Company's website: www.greenbackercapital.com/greenbacker-renewable-energy-company. The Nominating/Corporate Governance Committee met three times during the fiscal year ended December 31, 2021. Each of the then-members of the Nominating/Corporate Governance Committee attended all of such meetings.

Robert Herriott chairs the Nominating/Corporate Governance Committee.

The Nominating/Corporate Governance Committee considers candidates suggested by its members and other directors, as well as the Company's management and members. A member who wishes to recommend a prospective nominee for the Board of Directors must provide notice to the Company's corporate secretary in accordance with the requirements set forth in the Company's operating agreement, the Nominating/Corporate Governance Committee charter and any applicable law, rule or regulation regarding director nominations. Nominations should be sent to

Richard Butt, Corporate Secretary, Greenbacker Renewable Energy Company LLC, 230 Park Avenue, Suite 1560, New York, NY 10169. To have a candidate considered by the Nominating/Corporate Governance Committee, a member must submit the recommendation in writing and must include the following information:

- The name of the member and evidence of the person's ownership of Shares, including the number of Shares owned and the length of time of the ownership;
- The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company and the person's consent to be named as a director if selected by the Nominating/Corporate Governance Committee and nominated to the Board of Directors; and
- If requested by the Nominating/Corporate Governance Committee, a completed and signed Director's Questionnaire.

The Board of Directors and the Nominating/Corporate Governance Committee do not currently have a policy in place with regard to the consideration of diversity in identifying director nominees.

Compensation Committee

The Company does not have a standing compensation committee because its executive officers do not receive any direct compensation from the Company. Our Board of Directors, as a whole, participates in the consideration of director compensation and decisions on director compensation are based on, among other things, a review of comparable peer companies.

Compensation of Directors

The Company's independent directors receive annual cash and non-cash compensation, consisting of 80% in cash and 20% in an allocation of Class P-I shares. In addition, the independent directors receive an annual cash payment of \$5,000 to pay a portion of income taxes on the grant of Class P-I shares for that year. Compensation of Executive Officers

None of the Company's executive officers received any compensation for their service as executive officers. The Company does not currently have any employees. Services necessary for the Company's business are provided by individuals who are officers of the Company's advisor, Greenbacker Capital Management LLC ("GCM") or by individuals who were contracted by GCM to work on behalf of the Company, pursuant to the terms of the advisory agreement with GCM or the Company's administration agreement with Greenbacker Administration LLC (the "Administrator"). Each of the Company's executive officers is an officer of GCM, and the day-to-day investment operations and administration of the Company's portfolio are managed by GCM. In addition, the Company reimburses the Administrator for the Company's allocable portion of expenses incurred by the Administrator in performing its obligations under the administration agreement, excluding the allocable portion of the cost of the Company's officers.

Compensation Committee Interlocks and Insider Participation

No compensation committee exists, and no deliberations occurred with respect to executive compensation, as no executive officers will receive any compensation for their service as executive officers.

Member Communications to the Board of Directors

Members may contact an individual director, the Board of Directors as a group, or a specified board committee or group, including the independent directors as a group, by writing to the following address:

Greenbacker Renewable Energy Company LLC
230 Park Avenue, Suite 1560
New York, NY 10169
Attn: Board of Directors

Each communication should specify the applicable addressee or addressees to be contacted as well as the general topic of the communication. The Company will initially receive and process communications before forwarding them to the addressee. The Company generally will not forward to the directors a member communication that the Company determines to be primarily commercial in nature or relates to an improper or irrelevant topic, or that requests general information about the Company.

Hedging Policy

If appropriate and desirable for a given electric market or Company project, our projects may have contracts to hedge future electricity prices to mitigate a portion of the risk of market price fluctuations they will encounter by selling power at variable or market prices. Additionally, we may seek to stabilize our financing costs as well as any potential decline in our investments by entering into derivatives, swaps or other financial products in an attempt to hedge our interest rate or foreign currency risk.

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires the Company's directors and executive officers and each person who owns more than ten percent of a registered class of the Company's equity securities (collectively, "Reporting Persons") to file with the SEC initial reports of ownership and reports of changes in ownership of the Company's Shares and other equity securities. Reporting Persons are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms that they file. Based solely on the written representations that no other reports were required, the Company believes that each person who, at any time during such fiscal year, was a Reporting Person complied with all Section 16(a) filing requirements in a timely manner during such fiscal year.

Certain Relationships and Related Transactions

The Company's Board of Directors oversees the Company's management. However, the Company entered into the Fourth Amended and Restated Advisory Agreement dated July 1, 2021 among the Company, Greenbacker Renewable Energy Corporation and GCM (the "Advisor Agreement"), pursuant to which GCM is responsible for managing the Company on a day-to-day basis and identifying and making investments on the Company's behalf. GCM is wholly owned by Greenbacker Group LLC, which is primarily owned by certain of the Company's directors and/or officers.

As of the Record Date, April 1, 2022, through each of their ownership interests in Greenbacker Group LLC, Charles Wheeler, the Company's Chief Executive Officer, President, and a member of the Company's Board of Directors (Mr. Wheeler also serves as President of GCM), and David Sher, a member of the Company's Board of Directors (Mr. Sher also serves as Chief Executive Officer of GCM), indirectly own an 8.41% and 5.42% interest, respectively, in GCM. In addition, the Company's Chief Financial Officer, Richard Butt, is also a minority owner and officer of GCM. As a result, the advisory agreement between the Company and GCM was negotiated between related parties, and its terms, including fees and other amounts payable.

GCM's services under the advisory agreement will not be exclusive, and GCM may furnish the same or similar services to other entities, including businesses that may directly or indirectly compete with the Company, so long as its services to the Company are not impaired by the provision of such services to others, and provided further that GCM notifies the Company prior to being engaged to serve as an adviser to a fund or another company having a similar investment strategy.

The Company has entered into license agreements with Greenbacker Group LLC, the owner of GCM, pursuant to which it has agreed to grant the Company a non-exclusive, royalty-free license to use the name "Greenbacker Renewable Energy Company LLC." In addition, pursuant to the Company's administration agreement with the Administrator, the Administrator provides the Company with administrative services including accounting, compliance and asset management services for all the Company's investments. As of the date hereof, the Administrator has delegated certain of its administrative functions to US Bancorp Fund Services LLC as well as accounting for the Company's investments to an independent firm that provides outsourced bookkeeping and accounting services. The Administrator may enter into similar arrangements with other third-party administrators as necessary in the future. While the Administrator performs the majority of asset management, accounting and oversight services for the Company's investments, it is anticipated that the Administrator will continue to delegate certain administrative functions to third parties for the Company and its subsidiaries in order to recognize certain operational efficiencies for the benefit of the Company.

In October 2020, Greenbacker Group LLC launched Greenbacker Development Opportunities Fund I, LP (“GDEV”) to make private equity and development capital investments in the sustainable infrastructure industry. On October 9, 2020, the Company made a \$5,000,000 limited partner commitment to GDEV, which was increased to \$6,075,000 in the fourth quarter of 2020. In April 2021, the commitment to GDEV increased to \$7,500,000. As of December 31, 2021, \$7,242,495 of the commitment was funded—the fair value of this investment was \$7,580,119.

GDEV is an affiliate of the Company, as GDEV possesses the same investment advisor as GREC. The agreement between GDEV and the Company was negotiated at an arm’s length and contains standard terms and conditions that would be included in a third-party limited partnership agreement. However, as part of the agreement between GDEV and the Company, the Company was issued a membership interest in Greenbacker Development Opportunities GP I, LLC (“GDEV GP”), the general partner which provides for a 10% allocation of GDEV GP’s carried interest in GDEV. The Company’s Board of Directors, including a majority of independent directors, approved the Company’s investment in GDEV and the agreement with GDEV GP.

The Company’s operating agreement contains policies on transactions with affiliated persons. Pursuant to the terms of the operating agreement, our independent directors must review and approve transactions with affiliates.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has not yet appointed the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2022. KPMG LLP (“KPMG”) served as the Company’s independent registered public accounting firm for the fiscal years ending December 31, 2021 and 2020. The Company knows of no direct financial or material indirect financial interest of KPMG in the Company. A representative of KPMG will be available by telephone or in person to answer questions during the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so.

The Company's Audit Committee reviews, negotiates and approves in advance the scope of work, any related engagement letter and the fees to be charged by the independent registered public accounting firm for audit services and permitted non-audit services for the Company. All of the audit and non-audit services described above for which KPMG billed the Company for the fiscal years ended December 31, 2021 and 2020 were pre-approved by the Audit Committee. The Audit Committee has delegated to the chair of the Audit Committee the authority to pre-approve audit-related and non-audit services not prohibited by law to be performed by our independent registered public accounting firm and associated fees up to a maximum for any one service of \$25,000 provided that the chair shall report any decisions to pre-approve services and fees to the full Audit Committee at its next regular meeting.

2. Audit Committee Report⁽¹⁾

As part of its oversight of the Company's financial statements, the Audit Committee reviewed and discussed with both management and KPMG the Company's consolidated financial statements filed with the SEC for the fiscal year ended December 31, 2021. Management advised the Audit Committee that all financial statements were prepared in accordance with U.S. generally accepted accounting principles ("GAAP") and reviewed significant accounting issues with the Audit Committee. The Audit Committee also discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, and by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee received and reviewed the written disclosures and the letter from KPMG required by the applicable requirements of the Public Company Accounting Oversight Board regarding KPMG's communications with the Audit Committee concerning independence and has discussed with KPMG its independence. The Audit Committee has reviewed the audit fees paid by the Company to KPMG. It has also reviewed non-audit services and fees to assure compliance with the Company's and the Audit Committee's policies restricting KPMG from performing services that might impair its independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Company's Board of Directors that the audited consolidated financial statements of the Company as of and for the years ended December 31, 2021, 2020 and 2019 be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2021 for filing with the SEC.

The Company's members are being asked to consider the following seven individuals, all of whom are currently serving on the Company's Board of Directors, to serve as directors until the next Annual Meeting of Members or until their successors have been elected and qualified, subject to their earlier death, resignation, retirement, disqualification or removal from office:

<u>Name</u>	<u>Position with Greenbacker Renewable Energy Company LLC</u>

David Sher	Director
Charles Wheeler	Chief Executive Officer, President and Director
Kathleen Cuocolo	Independent Director
Cynthia Curtis	Independent Director
Robert Herriott	Independent Director
David M. Kastin	Independent Director

The relevant experiences, qualifications, attributes and skills of each nominee that led our Board of Directors to recommend him or her as a nominee for director are described in the section entitled "Corporate Governance Matters" above.

All of the nominees have indicated their willingness to serve, if elected. However, if any nominee should be unable or unwilling to serve, the Board of Directors may designate a substitute nominee, in which case the persons designated as proxies will cast votes for the election of such substitute nominee. Alternatively, the Board of Directors may allow the vacancy to remain open until a suitable candidate is located and nominated or may adopt a resolution to decrease the authorized number of directorships.

The Company did not receive any member nominations for director. Proxies cannot be voted for more than the number of nominees named in this Proxy Statement.

Required Vote

Director nominees are elected by a plurality of the votes cast at the Annual Meeting, meaning that the seven director nominees receiving the highest number of affirmative votes will be elected.

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count "FOR" votes, withheld votes and broker non-votes.

Brokers who hold Shares in street name have the discretionary authority to vote on certain "routine" items when they have not received instructions from their clients. If the organization that holds your Shares does not receive instructions from you on how to vote your Shares on the other matters being considered at the Annual Meeting, the organization that holds your Shares will inform the Company that it does not have the authority to vote on this matter with respect to your Shares. This is generally referred to as a "broker non-vote." Broker non-votes will be considered as represented for purposes of determining a quorum, but will not otherwise affect voting results. We encourage you to provide voting instructions to the organization that holds your Shares by carefully following the instructions provided in the Notice.

SUBMISSION OF MEMBER PROPOSALS

The Company's operating agreement requires the Company to hold an annual meeting of members for the election of directors and the transaction of any business within the powers of the Company on a date and at a time set by the Company's Board of Directors. In addition, the Company will hold special meetings as required or deemed desirable or upon the request of the holders of at least 10% of the Company's outstanding Shares entitled to vote. Members may present proper proposals for inclusion in the Company's proxy statement and for consideration at the next annual meeting of members by submitting their proposals in writing to the Company's Secretary in a timely manner. For a member proposal to be considered for inclusion in the Company's proxy statement for the 2023 annual meeting of members, the Company's Secretary must receive the written proposal at the Company's principal executive offices no earlier than November 13, 2022 and no later than 5:00 P.M., Eastern Time, on December 13, 2022; provided, however, that in the event that the Company holds its 2023 annual meeting of members more than 30 days before or after the one-year anniversary date of the 2022 Annual Meeting, the Company will disclose the new deadline by which members proposals must be received under Item 5 of the Company's earliest possible Quarterly Report on Form 10-Q or, if impracticable, by any means reasonably calculated to inform members. In addition, member proposals must otherwise comply with the requirements of Rule 14a-8 of the Exchange Act. Such proposals also must comply with SEC regulations under Rule 14a-8 regarding the inclusion of member proposals in company-sponsored proxy materials. Proposals should be addressed to:

Greenbacker Renewable Energy Company LLC
230 Park Avenue, Suite 1560
New York, NY 10169

Member proposals to be presented at the 2023 annual meeting of members, other than member proposals submitted pursuant to Exchange Act Rule 14a-8 for inclusion in the proxy statement for the 2023 annual meeting of members, must be received in writing at the Company's corporate offices no later than April 1, 2023 (45 days before the one-year anniversary of the date this proxy statement is mailed to you).

DELIVERY OF PROXY MATERIALS TO HOUSEHOLDS

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more members sharing the same address by delivering a single proxy statement addressed to those members. This process, which is commonly referred to as “householding,” potentially provides extra convenience for members and cost savings for companies.

The Company and some brokers may be householding the Company’s proxy materials by delivering a single proxy statement and annual report to multiple members sharing an address unless contrary instructions have been received from the affected members. Once you have received notice from your broker or the Company that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, or if you are receiving multiple copies of the proxy statement and annual report and wish to receive only one, please notify your broker if your shares are held in a brokerage account or the Company if you are a member of record. You can notify the Company by sending a written request by mail to Greenbacker Renewable Energy Company LLC, 230 Park Avenue, Suite 1560, New York, NY 10169 or by contacting the Company at (646) 720-9463. In addition, the Company will promptly deliver, upon request, a separate copy of the annual report and proxy statement to a member at a shared address to which a single copy of the documents was delivered.

OTHER MATTERS

The Board of Directors of the Company knows of no other matters that may come before the Annual Meeting. If any other matters should properly come before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote in accordance with their judgment on such matters. Such discretionary authority is conferred by the proxy.

In the Company's filings with the SEC, information is sometimes "incorporated by reference." This means that the Company is referring you to information that has previously been filed with the SEC, so the information should be considered as part of the filing you are reading. Based on SEC regulations, the Audit Committee Report specifically is not incorporated by reference into any other filings with the SEC.
